Dear Sir or Madam

Net Tangible Asset Backing Per Share at 31 May 2014

The unaudited net tangible asset backing for the Company's ordinary shares as at **31 May 2014**, before providing for capital gains tax in respect of unrealised investment portfolio gains, was **\$30.74** per share (30 April 2014: \$29.78).

The Company invests for the long term and the Board has no intention of disposing of investments other than through takeovers, mergers or other exceptional circumstances that arise from time to time. If a provision for estimated capital gains tax in respect of unrealised investment portfolio gains was deducted, the above net tangible asset backing amount of \$30.74 would reduce to **\$25.93** (30 April 2014: \$25.24).

The calculation is based on the Company's interpretation of the law relating to capital gains tax and ASX Listing Rule 4.12.

Yours faithfully,

P W Horton

Company Secretary
