4 December 2012

Dear Sir or Madam

**Net Tangible Asset Backing Per Share
at 30 November 2012**

The unaudited net tangible asset backing for the Company's ordinary shares as at **30 November 2012**, before providing for capital gains tax in respect of unrealised investment portfolio gains, was **\$23.05** per share (31 October 2012: \$22.76).

The Company invests for the long term and the Board has no intention of disposing of investments other than through takeovers, mergers or other exceptional circumstances that arise from time to time. If a provision for estimated capital gains tax in respect of unrealised investment portfolio gains was deducted, the above net tangible asset backing amount of \$23.05 would reduce to **\$20.11** (31 October 2012: \$19.87).

The calculation is based on the Company's interpretation of the law relating to capital gains tax and ASX Listing Rule 4.12.

Yours faithfully,

P W Horton
Company Secretary
