4 March 2014

Dear Sir or Madam

**Net Tangible Asset Backing Per Share
at 28 February 2014**

The unaudited net tangible asset backing for the Company's ordinary shares as at **28 February 2014**, before providing for capital gains tax in respect of unrealised investment portfolio gains, was **\$28.94** per share (31 January 2014: \$28.01). **This net tangible asset backing per ordinary share has been calculated after providing for the interim ordinary dividend of 37 cents per share to be paid on 20 March 2014.** The ex-dividend date was 27 February 2014 and the record date is 5 March 2014.

The Company invests for the long term and the Board has no intention of disposing of investments other than through takeovers, mergers or other exceptional circumstances that arise from time to time. If a provision for estimated capital gains tax in respect of unrealised investment portfolio gains was deducted, the above net tangible asset backing amount of \$28.94 would reduce to **\$24.62** (31 January 2014: \$23.93).

The calculation is based on the Company's interpretation of the law relating to capital gains tax and ASX Listing Rule 4.12.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'P W Horton'.

P W Horton
Company Secretary
