The Manager Company Announcements Office Australian Securities Exchange Limited Exchange Centre Level 4, 20 Bridge Street SYDNEY NSW 2000

4 March 2015

Dear Sir or Madam

## Net Tangible Asset Backing Per Share at 28 February 2015

The unaudited net tangible asset backing for the Company's ordinary shares as at 28 February 2015, before providing for capital gains tax in respect of unrealised investment portfolio gains, was \$35.85 per share (31 January 2015: \$33.82). This net tangible asset backing per ordinary share has been calculated <u>before</u> providing for the interim ordinary dividend of 43 cents per share to be paid on 19 March 2015. Shares traded ex-dividend on 2 March 2015, with the record date being 4 March 2015.

The Company invests for the long term and the Board has no intention of disposing of investments other than through takeovers, mergers or other exceptional circumstances that arise from time to time. If a provision for estimated capital gains tax in respect of unrealised investment portfolio gains was deducted, the above net tangible asset backing amount of \$35.85 would reduce to \$29.73 (31 January 2015: \$28.15).

The calculation is based on the Company's interpretation of the law relating to capital gains tax and ASX Listing Rule 4.12.

Yours faithfully,

P W Horton

Company Secretary
